DETAILED ACTION

REASONS FOR ALLOWANCE

1. The following is an examiner's statement of reasons for allowance:

The prior art of record does not teach or suggest, either singularly or in combination, at least a barrier structure disposed on the side of a circuit device, the barrier structure being higher than bumps without contacting a substrate to separate conductive particles, wherein the barrier structure comprises a plurality of first barrier ribs extending along a first direction to form a partition between the bumps corresponding to first pads, a plurality of second barrier ribs extending along the first direction to form a partition between the bumps corresponding to second pads and a plurality of third barrier ribs extending along a second direction to form a partition between the bumps corresponding to the first and the second pads.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Chris C. Chu whose telephone number is 571-272-1724. The examiner can normally be reached on 11:30 - 8:00.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, Tom Thomas can be reached on 517-272-1664. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
